

## **Lasting Love by Caroline Wright**

published Rodale Kids, USA. isbn 9781984850140

Suit all ages (with caution)

What happens when someone you love gets very sick?

This easy to read children's book was written by a young mother with terminal cancer for her sons.

A gentle magical creature arrives at home and is quietly there for the family as they face a terrible loss.

Losing a loved one doesn't mean losing their love.
